Sir:

Your petitioner, Ausimont S.p.A., a company organized under the laws of Italy, located at Piazzetta Maurilio Bossi, 3, Milan, ITALY, represents that it is the assignee and owner of all rights, title and interests in and to U.S. Patent Application Serial No. 09/995,673 filed November 29, 2001 for METHOD FOR REMOVING WATER FROM SURFACES, by way of an Assignment recorded on November 29, 2001, at Reel 012330, Frames 0596-0597.

Petitioner is also the assignee of all rights, title and interests in and to U.S. Patent No. 5,980,642 issued November 9, 1999 (filed as Application No. 08/916,290 on August 22, 1997).

Your petitioner, Ausimont S.p.A., hereby disclaims the terminal part of any patent granted on the above-identified

application, or any continuation application filed under 37 C.F.R. § 1.60 or 37 C.F.R. § 1.62 which is entitled to the benefit of the filing date of this application under 35 U.S.C. § 120, which would extend beyond the expiration date of the full statutory term as presently shortened by any terminal disclaimer, of Patents No. 5,980,642 and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to such patent shall be the same as the legal title to United States Patents No. 5,980,642 this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successor or assigns.

Your petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term as presently shortened by any terminal disclaimer of Patents No. 5,980,642 in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole, or in part or terminally disclaimed under 37 C.F.R. § 1.321 (a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

The undersigned on behalf of petitioner, Ausimont S.p.A., hereby states and declares that I have the authority to execute this Terminal Disclaimer on behalf of the petitioner.

I further state that all statements made on my own knowledge are true and that all statements made on information and belief

are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Ausimont S.p.A.
